Below is a list of possible changes to vessel details. Please tick the type of change you are requesting and provide the specific details of the change. There is a **CVD Administration fee** to pay for a requested change, please see our website <https://ydsa.co.uk/coding> for current fees, payable before your request will be processed.

These changes may result in additional survey fees and administration checking fees. Please discuss any changes with your Nominated Coding Surveyor. Changes to vessel details will also require amendments to your Compliance Documents.
